Community Café needs your help

For several years, the Thursday morning Community Café has been supported by Church Army. Volunteers from there have cooked and washed up, freeing church members to chat and pray with guests. For the past few weeks, they have not been available - which we've coped with, but this has highlighted the need to grow the regular team. This is especially important as Howard steps down at the end of the year.

Please consider whether you could help on a Thursday morning - from approx 7-8.30am for set up; from 9-11am to cook, serve and wash up; from 10:30am-12pm to clean and put pots away.

Speak to Davo, Howard or Debbie H if you want to find out more.

Pentecost Sunday is very soon 4th June

There are fantastic events going on in the city centre.

All the churches are gathering to put on a huge street party and you are invited!

Sunday 4th 3pm onwards

There will be street art, circus performers, musicians, games, food....loads of stuff

All culminating in an event 5.30pm at the Cathedral (tickets needed for this part of the day)

After our usual Sunday worship at the Vine 10am, instead of doing local events, we are suggesting that this year, we all join in what promises to be a great day full of fun and energy.

If you are the sort of person who would like to have a job to feel involved, you can contact Beth Keith at the cathedral

All are welcome! Friends, family, neighbours, school children, grandparents, aunts, uncles, pets, even you, so do invite and bring along anyone.

Peace in the Park is coming back to the Ponderosa next month (Sat 10th June)

There are several ways you could help to make this amazing community festival in our area even better - please think about whether you could get stuck in with any of these:

- Thurs / Fri / Sat (8-10 June) - help set up the festival (litter clearing, setting up the peace letters, decorating the park, etc.)
- Sat morning - bacon butties (and veg sandwiches) - every year we've blessed the festival crew by serving breakfast; we need someone to buy the ingredients, a few to cook it and a few people to take it around the park
- Sat afternoon (in shifts) - stewarding (looking after the visitors to the festival, being a point of contact, directing stallholders, collecting donations, etc.)
- Sun (11 June) - join in with a litter pick + picnic to leave the park looking spotless again

If you can help with any of these, please let Davo know
