

## ROAMING THROUGH ROMANS - SESSION 2 DISCUSSION QUESTIONS

### QUESTION 1

This is a question in two parts:

**Describe in your own words why the gospel relies on Jesus dying. How does that make you feel?**

You may want to draw on Romans 3:21-26 to help with your answer.

You could also look to other passages, such as Colossian 2:13-15 (Paul writing) or 1 Peter 2:22-25 (Peter writing) or Isaiah 53:4-6 (from the Old Testament).

### QUESTION 2

Consider Romans 3:27 which speaks of “boasting” being impossible in the light of faith.

Allow it to examine you. You might want to ask yourself:

**On what do you naturally rely on to assess value and virtue of your life or others?**

**How does a gospel that is through *faith* confront you?**

**How does this *healthily* undermine your self-reliance?**

Feel free to share your thoughts. If you have time, pray for one another.
